NOTE VERBALE

The Asia-Pacific Space Cooperation Organization (APSCO) presents its compliments to the Office of the National Digital Economy and Society Commission (ONDE), the Kingdom of Thailand and has the honor to inform as follows:

The Secretariat of APSCO is pleased to make an announcement for APSCO-ZJU-Master & PhD Programs 2025 on following research disciplines:

Master Program	
School	Major
Mechanical Engineering	Mechanical Engineering
Energy Engineering	Power Engineering and Engineering Thermophysics
Information Science and Electronic Engineering	Electronics Science and Technology
Control Science and Engineering	Control Science and Engineering
Computer Science and Technology	Software Engineering
PhD Program	
School	Major
Aeronautics and Astronautics	Mechanics
	Aeronautical and Astronautical Science and Technology
	Electronic Science and Technology
Physics	Physics
Mechanical Engineering	Mechanical Engineering
Materials Science and Engineering	Materials Science and Engineering
Energy Engineering	Power Engineering and Engineering Thermophysics
Information Science and Electronic Engineering	Electronic Science and Technology
	Information and Communication Engineering
Control Science and Engineering	Control Science and Engineering
Computer Science and Technology	Software Engineering
Biomedical Engineering and Instrument Science	Biomedical Engineering

In this connection, the Secretariat of APSCO would like to request focal organizations in the Member States to nominate a few qualified candidates for above mentioned Master and PhD Programs. **For details of the application and requirements, please carefully consult the attached announcement leaflet from Zhejiang University (ZJU) and note that the nominated candidates are requested to submit documents in both ZJU system and Chinese Government Scholarship (CSC) Systems before submitting required documents to APSCO.**

After rigorous evaluation process by both APSCO and ZJU, qualified applications will be recommended to the University for getting full scholarships excluding international air tickets. ZJU-APSCO

English Master and Doctoral Programs 2025

Introduction to Zhejiang University (ZJU)

Zhejiang University (ZJU) is a leading higher education institution in China, as well as one of its oldest. Its roots can be traced back to the founding of the Qiushi Academy in 1897.

Located in Hangzhou, one of China's most picturesque cities, ZJU consists of seven faculties and 40 schools. It is home to around 4,600 full-time faculty members, including 27 members of the Chinese Academy of Sciences and 21 members of the Chinese Academy of Engineering. Comprising seven campuses, ZJU has over 67,000 full-time students, including over 5,500 international students

Recognized as the 27th in the 2024 Academic Ranking of World Universities, the University prides itself on a culture of innovation. ZJU researchers are making an impact across many priority areas that address global challenges, including clean energy, biotechnology, smart city, advanced materials, precision medicine, and global public health.

ZJU has partnerships with more than 200 institutions from over 40 countries/regions worldwide. In collaboration with the Universities of Edinburgh and Illinois, it has also established ZJU-UoE Institute and ZJU-UIUC Institute on Haining International Campus, exploring new models of higher education that combine the best

practices of east and west.

With its commitment to seeking truth and pursuing innovation, ZJU is dedicated to advancing knowledge, addressing pressing societal needs and contributing to a sustainable future.
